

SMBTS/SESM

**Virtual CROP
Hunger Walk
2020**

Sept. 20 - Oct. 18

What: Walking with a purpose—to fight hunger in our community and the world

Where: In your safe walking space, individually or your small group. Take pics along the way and post on Facebook to promote hunger awareness

How: Follow COVID protocols for distancing and masks. CROP logo masks will be available for a \$5 donation. Also, walking music will be available by The St. Ann's Contemporary Ensemble.

During the CROP Walk dates, recruit sponsors to support you in the effort to fight hunger. **Make a goal!** For example \$1 mile x 20 miles = \$20. If you recruit 20 sponsors that's \$400! 25% of the total donations remains within East Sussex County to support our local food pantries.
